10AM
Gladstone, Oregon
Meldrum Bar Park**

Northwest BMW Club invites you to attend 5erWest along the Willamette River in Gladstone, Oregon just south of downtown Portland. 5erWest is a celebration of the fine lineage of the BMW 5 series with a spotlight on the e12, e28, and e34 chassis. Event starts at 10AM. 5erWest will also welcome all other BMW makes to attend and would like to give special encouragement to owners of other vintage "roundels" to show up in force! Special parking may be arranged if needed. It is not our intent to exclude any BMW enthusiast from attending 5erWest.
